WHY WE ARE DIFFERENT

As an urban developer, Deluxe Residences is built on the principle of commitment to client satisfaction. Our products/homes/residences are timeless; built with materials of the highest quality and delivered to the highest industry standards. Our homes personify comfort and luxury.

We build high-rise serviced apartments; mixed-use developments; luxury residential apartments; terraces; fully & semi-detached duplexes; mansions; and self-styled bungalows from start to finish – aesthetic finishing and make-over included. Our apartments offer many sought-after amenities, both inside and outside the building. Each residence points to a high taste of luxury.

Our brand is summarized in our vision for new heights in luxury living and our passion for excellence. From our opulent designs, impeccable taste for quality, selection of a talented team of professionals, we keep our promise by making sure every detail is flawless.

We go beyond building and selling luxury homes to offering a lifetime of rich experiences. We are measured by our sustainable business value that we offer all stakeholders and the experiences we provide to our clients.
